

CO NAWGJ Educational Reimbursement

Explanation of Benefits

Due to the Covid pandemic the time for judges to turn in their educational reimbursement earned at the 2019 CO Judges Cup will be extended through September 30, 2021. Judges may use some of their funds earned now and use the rest next year. For example, Judge A earned \$300 in educational reimbursement at the 2019 Judges Cup. Judge A turns in a receipt for their USA Gymnastics dues of \$95.00, this leaves Judge A with \$205 that can be used next year. ***A reminder only 1 check can be issued to a judge per fiscal year ending September 30th.**

We have had to cancel our 2020 Judges Cup but there will be additional opportunities to earn educational reimbursement in the 2020-21 calendar year. Stay tuned for an announcement.

A list of what items can be submitted for educational reimbursements can be found on our website.
